Day 2: Nairobi Visit Giraffe Center

After breakfast, we will begin our city Tour with Giraffe Center was first opened in response to the endangered status of the Rothschild giraffe, the population of which had declined, reaching a low of 130 animals in the wild as a result of agricultural practices in their native habitat. After visiting the giraffe center, we will go for lunch at Tamabo restaurant. After lunch, we will proceed to the Bomasa of Kenya.

Bomas cultural center is a homestead reflecting Kenya's cocktail of cultures that have been faithfully re-created for visitors to see traditional village life. But the greatest excitement during the afternoon is the display of traditional dancing, music and song performed in a splendid arena. After the Boma cultural visit, we will go for our dinner at the Carnivore restaurant.

Carnivore restaurant is an international garden eating arena that offers beef menu varieties imaginable including four choices of wild game meat which are roasted under massive heat chimney that dominates the entrance of the restaurant. A wide selection of salads, vegetable side dishes and exotic sauces accompany the meat feast. After the meal, clients are transferred back to their preferred destination within the city. Dinner and overnight at Sarova Panfric Hotel.

Day 3: Nairobi – Amboseli National Park

Depart Nairobi at 7am after a delightful breakfast and drive south across the Athi Plains, home of the Masai and on to Amboseli. Amboseli is renowned for its large herds of free-ranging African elephants as well as huge herds of wildebeests and many other animals including giraffes, African lions, monkeys, zebras, hyenas and antelope with Mt. Kilimanjaro, Africa's highest peak providing a beautiful back drop. We arrive early mid-day and freshen up, followed by lunch and a short rest. You later explore the Amboseli plains in an evening game drive at 1600 hours. Dinner & Overnight at Amboseli Serena Lodge.

- Main Destination: Amboseli Game Reserve (Kenya)
- Accommodation: Amboseli Serena Lodge
- Luxury Lodge:
- Meals are on Full Board Basis

Day 5: Amboseli National park – Arusha National Park

After breakfast in Amboseli, we drive to the border for migration purposes after which we will drive to Arusha national Park arriving in time for lunch. There's nowhere else on earth that the transition between a pristine mountainous landscape and a bustling city landscape is as abrupt as it is in Arusha National Park. Tucked away in mainland Tanzania, this protected park is largely dominated by the imposing Mt. Meru and wears the crown of the 'most topographically dynamic and beautiful wildlife parks'. Not only does it shelter the Ngorongoro Crater but it is also home to the planet's largest population of African giraffes. Dinner and overnight at Arusha Serena Hotel.

Day 6: Arusha National Park - Lake Manyara

Take breakfast then drive into Tanzania via the Namanga border. We also pass through Arusha for lunch and proceed to Lake Manyara National park with Regardless of the direction we approach Manyara from, the view is always fantastic. Dinner and overnight at Lake Manyara Serena lodge or similar. Lake Manyara is a shallow, alkaline lake that is part of the Rift Valley wall; the lake is at the base of this dramatic western escarpment giving it a beautiful and serene setting. In addition to this peaceful setting, Lake Manyara's main attractions are its rich bird life, tree climbing lions and its hippos, which you can see at a closer range than many other places. Lake Manyara also hosts thousands of flamingos at certain times of the year and has diverse vegetation ranging from savannah, to marshes and acacia woodland, enabling a variety of wildlife habitats including butterflies.

- Main Destination: Lake Manyara National Park (Tanzania)
- Accommodation: Lake Manyara Serena Safari Lodge.
- Luxury Lodge located just outside Serengeti National Park

Day 7: Lake Manyara – Serengeti National Park

After an early breakfast, we drive south to the magnificent Ngorongoro crater via Olduvai Gorge with picnic lunches. Based on fossil evidence found at the Olduvai Gorge, it is known that various hominid species have occupied the area for so long. The annual wildebeest and zebra's migration passes through the Ngorongoro Conservation, with moving south into the area in December and moving north in June. This movement changes seasonally with the rains, but the migration will traverse almost the entire plains in search of food. The area has a healthy resident population of most species of wildlife, in particular the Ndutu Lake area to the west has strong cheetah and lion populations. Before proceeding to Serengeti national park at Serengeti Wild Camp or Serengeti Safari Lodge.

- Main Destination: Serengeti national park (Tanzania)
